

# Krogab<sup>®</sup> JUICE

## NOT FROM CONCENTRATE JUICE & SMOOTHIE DISPENSERS

Today's health conscious consumers demand a high level of quality from their fruit juice or smoothies. Our not from concentrate Juice Dispensers can help you to service this need. Sleek, stylish and reliable, our range of machines will deliver a refreshing, chilled juice or smoothie at the press of a lever.

Krogab Juice have 2 machines in the NFC range which can dispense up to 2 drink choices. Both models feature easy installation with no plumbing and will feel equally at home at the front of house or back.
